

The Inter-Schools Sports Day

BY ALICE THESEN

On Saturday the 9th of February, Jan Van Riebeck hosted the Inter-Schools. Unfortunately, the dense, grey clouds rolling over Table Mountain were a little discouraging, but the show had to go on.

Our athletes bravely took the challenge head on, with a huge string of victories in the long distance. Our cheering echoed around the stands, the most spirited school by *far!*

The rain was relentless, so they had to cancel and continue on Monday.

On Monday, was the Sprints and Hurdles. At the end of the event, the first thing I heard came from Mr Hagglund, "Joh! Did you see how many first places we got?" Yes we did, Mr Hagglund, we all did.
